BillingTree® Partners with AssureSign® to Provide e-Signature Services

Phoenix, Ariz. – November 2, 2009 – BillingTree, the national leader in on-demand payment solutions and AssureSign® LLC, a leading provider of electronic signature solutions, have entered into a partnership enabling BillingTree customers to obtain enhanced services.

BillingTree partners with AssureSign to provide additional processing services and technology integrations for cable, utilities, telecommunication, wireless, security and rental industries. Sign&Pay e-signatures save time and money, add control and convenience, broaden accessibility, improve reliability, and reduce errors and frustration. BillingTree's Payment Solutions integrate with AssureSign's electronic signature technology allowing consumers to pay deposits, fees, and recurring payments at the time of execution, which increases cash flow for clients.

"With integrated BillingTree payment solutions, users can accept e-signature payments, establish payment plans and tie in transactions from AssureSign software, all through a cutting edge, real-time interface," says Scott McCollum, President of BillingTree.

"We are pleased with our partnership with BillingTree and our joint work in delivering a powerful solution to our mutual customers," says David W. Brinkman, Chief Executive Officer of AssureSign LLC. *"With AssureSign, BillingTree Sign&Pay users can easily create documents for signing electronically with robust tracking, workflow and reporting capabilities, for an accelerated and improved sales process."*
