BillingTree® Partners with Commercial Legal Software, Inc. (CLS) to Provide Integrated Payment Solutions

Phoenix, Ariz. – July 22, 2009 – BillingTree, the national leader in on-demand payment solutions, was selected as a preferred vendor and provider of electronic payment services for CLS customers.

BillingTree will provide CLS and their clients with fully integrated payment solutions that allow real-time acceptance of payments. Utilizing BillingTree solutions, these payments will be processed electronically, providing faster funds availability, better tracking and accounting, and a significant increase in NSF returns management efficiency.

“CLS brings a powerful, cost effective solution to their client base. Now with integrated BillingTree payment solutions, users can accept every form of payment through a cutting edge, real-time interface,” says Scott McCollum, President of BillingTree.

“CLS is proud to add BillingTree to our extensive list of high productive offerings that benefit the industry,” adds Nicholas Arcaro, Vice President of Sales & Marketing for CLS.

About BillingTree

The proven leader in on-demand payment processing, BillingTree empowers customers with competitive advantage through simplification of the billing and receivables process. By delivering the most innovative technology while making it as easy and inexpensive as possible to accept payments BillingTree has revolutionized the payments landscape. Our software-as-a-service (SaaS) model delivers industry leading payment solutions, proven integration and point-and-click simplicity. BillingTree’s focus on innovation has allowed us to help over 950 customers eliminate manual processes and automate their payment cycle. BillingTree - Growth is Our Business.
